Dear Dwight,

It seems impossible that we are almost out of school, it makes me rather sad but I'll always remember the fun we've had and will always remember you as one of the "finest" guys at Willard. Dwight you have a wonderful personality and I can't tell you how much your friendship and you have meant to me. I hope we will always be friends even though school will be out and that we can see each other and get together sometimes. Always remember the fun we've had together and the night of the banquet. I'm glad we get to walk together at graduation, maybe we won't goof up too bad. I can't think of anyone that I rather walk with than you because I feel closer to you than anyone else.

Dwight always try to keep happy and to have fun. I hope you have the best of everything in the future years. Be good,

Love,
Marilyn

Dwight I have really enjoyed going to school with you we've had a lot of fun. Always remember after the banquet & the many other things we've done. You're one of the nicest guys at Willard.

Love
RM

Future Teachers of America is a rather young organization. The Willard Chapter is only three years old, but during this time it has worked hard and has become affiliated with the Missouri State Teachers' Association, the National Education Association, and the Southwest District Future Teachers Association, which covers the same geographical region as that served by SMS. In 1960 the Willard Chapter was the Vice-President chapter, and in 1961 succeeded in electing Mike Gilmore as President of the Southwest District. Although the Willard Chapter is young, it has achieved much.

Dear Dwight,
After reading that sweet speech that you wrote I hardly know what to say. I'll always remember you and the wonderful times we had this past year. You have a wonderful personality and I'm sure God will bless you for it. I hope you'll remember all the fun we've had, especially at Bethais. It's too bad I didn't grow up before I went with you - maybe things would have turned out better if I had. Please don't think too badly of me and please forgive me for all I said and did. Pleasant memories are the only kind one should have; but bad ones teach us and help us to grow. Think about me sometimes! May God guide you and give you strength in the years ahead.

Love always,
Beverly
